

Overview

We provide a safe and positive environment for our youth to develop in heart, body, and mind so that they can make healthy choices and succeed in school, at home, and in our community. We emphasize the importance of personal growth as well as academic success so that our youth can become strong and well-rounded individuals.

Youth in our programs benefit from a positive and structured environment that includes STEAM, arts and crafts projects, physical activities, personal development group activities, as well as recreation time for board and video games. In addition, we provide a free daily meal for each youth enrolled in our programs through our partnership with Kid's Cafe.

Our staff is comprised of dedicated, engaged, and caring individuals who love their work and the community they serve. We pride ourselves on our close partnership with our community and we encourage you to contact us with any questions, concerns, or comments.

Dysart Community Center's Kids Club Programs are made possible in part by Grant Funding from Valley of the Sun United Way. Our Kids Club Surprise is also partially funded through Surprise Youth Foundation.

Youth Conduct Agreement

Thank You for registering for Dysart Community Center Kids Club Summer Camp Program. We are happy to have you with us and we look forward to helping you with personal development, playing sports with you in the gym, working on arts and crafts projects and many other fun activities. But we also want you to know how important it is that you stay safe, are respectful, and behave in a manner that helps make our community a positive place. Because of this, we ask that you follow the following rules:

Respect Other

Respecting others means that you value other people and that you understand that they deserve the same treatment that you would want for yourself.

Follow Staff Directions

Staff members are here to help you and to keep you safe. While you are at the center you must follow staff directions so that we can do these things successfully.

Agree to be Non-violent

The decision to be non-violent is a courageous choice made by people who understand that hurting others is wrong and that problems can best be solved without violence. Our center will not tolerate violence of any kind. This includes but is not limited to punching, pushing, and kicking.

Be Positive

We want our center to be a place where you feel good. We want it to be a place you want to come to have fun, to learn, and to build relationships. In order for this to happen, we need you to help us by being a positive member of our community. We want you to give put ups not put-downs, offer and receive help, and think about how your actions affect others.

If you are unable to follow these rules you may be prohibited from participating in activities, be given a behavior report to take home, or be suspended from the program. (If a child is suspended there will not be a refund available)

I agree to follow the above rules and to be a positive member of the community. I understand that my behavior affects the safety and happiness of others, and that if I fail to follow these rules, I may receive consequences.

Dysart Community Center is not responsible for any loss or theft of personal property.
